Mr. Barshov,

Be advised that your client's application has been reviewed and deemed incomplete for the following reasons:

- (1) Failure to tender the required application fee as previously advised fee due, calculates to \$1075.00.
- (2) Missing Design Review Board (DRB) / Architectural Control Committee (ACC) review and approval of proposed residence in accordance with the applicable Planned Development District / Planned Unit Development Project Design Standards.

(3) Additional Information:

- (a) Please provide information regarding status of infrastructure improvements and utility facilities (water, electricity, sewage/wastewater) for Phase 1 development, and compliance with Town of Forestburgh Zoning Code § 85-21 [B] [5].
- (b) Please provide information regarding intended use of the proposed residential structure given there are no utility facilities (water, electricity, sewage/wastewater) available for connection, and how such use is permitted under the allowable uses of the zoning district.
- (c) Please provide a copy of the deed to the subject lot: FO 3.C-6-3 (lot 303).

Please submit the above within 30 days of the date of this letter or your application will be deemed abandoned.

Respectfully,

Glenn A. Gabbard
